WIC Nutrition Education Promotes Healthy Choices

Total nutrition education sessions.....4,512

WIC nutrition education:

- Emphasizes healthy lifestyle habits so families can eat better and stay active now to prevent obesity and other chronic diseases later in life.
- Promotes breastfeeding for the first year of life. And, with the breast pump loan program, helps mothers continue to breastfeed after returning to work or school.
- Helps prevent early childhood caries by screening for early signs of poor oral health, giving parents ideas for healthy snacks and stressing the importance of dental care by age one.

WIC Attracts Families to Preventive Health Services

WIC referrals..... 6,026

WIC informs families about health related services and provides them with the information and support needed to access them successfully.
